# COLABORACIONES

## LA COLABORACIÓN UNIVERSIDAD - EMPRESA SE CONSOLIDA /

### UNIVERSITY AND COMAS PARTNERSHIPS CONTINUE

Empresa y universidad son dos realidades que a veces se entienden de forma independiente pero que, a la vez, dependen una de la otra. Las expectativas en las colaboraciones anteriores con la Escuela de diseño Elisava y la Universitat de Barcelona han dado sus frutos y, por tercer año consecutivo colaboraremos con ambas universidades para seguir contribuyendo a reforzar la relación entre la universidad y la empresa.

*Business and university are two spheres that, whilst sometimes viewed as separate, are mutually dependent. In previous years, we have achieved what we were hoping for in our collaboration with the Elisava School of Design and the University of Barcelona. Now for the third consecutive year we are working again with both Universities to continue to bolster links between universities and Comas.*

## INNOVACIÓN Y FUTUROS TALENTOS DE LA MANO DE LA ESCUELA DE DISEÑO ELISAVA /

### INNOVATION AND TALENTS OF THE FUTURE FROM THE ELISAVA SCHOOL OF DESIGN IN TANDEM

Por tercer año consecutivo colaboraremos con el máster de conceptualización y desarrollo de producto de la escuela de diseño Elisava. Gracias a esta iniciativa los estudiantes pueden participar en el proceso de creación de nuevos productos para el sector Horeca. Una colaboración que supone un win-win para ambas partes que se ha vuelto imprescindible en nuestro calendario.

*For the third successive year we are working with the Masters programme in conceptualisation and product development of the Elisava School of Design. This initiative allows students to participate in the process of creation of new HoReCa products: a win-win for both parties which has become essential.*

## REPETIMOS CONVENIO CON LA UNIVERSIDAD DE BARCELONA -UB- /

### NEW AGREEMENT WITH UNIVERSITY OF BARCELONA - UB -

El convenio con la Universidad de Barcelona se reedita siendo la 3ª edición de una colaboración que ha sido un éxito en cada uno de las ediciones anteriores. Lo que de inicio suponía un reto incalculable para los estudiantes, ha acabado siendo una fórmula de éxito que no dudamos en repetir. Gracias a la ayuda del equipo de Comas, los futuros diseñadores tienen la posibilidad de diseñar una colección de cubertería des de cero, pasando des de la detección de tendencias, la exploración de materiales y la conceptualización del producto.

*Our collaboration with the University of Barcelona is being extended for a third year following its success in previous years. What started out a simple project for the students has become a proven path to success that we have no hesitation in repeating. With help from the Comas team, future designers are able to design a cutlery collection from zero: moving from trend analysis to materials research and product conceptualisation.*
